- Database Management
- Data Entry

Soft Skills

- Communication
- Problem Solving
- Attention to Detail
- Time Management
- Team Collaboration

PROJECT EXPERIENCE

AgeTech: Bridging the Digital Divide for Seniors, a Web-based Tutorial Application – *Capstone / Thesis Project*

- Developed a web-based tutorial application designed to improve digital literacy among senior citizens.
- Built the system using HTML, CSS, JavaScript, and PHP.
- Designed an accessible and user-friendly interface tailored to elderly users.
- Successfully implemented and defended the project as a core academic requirement.

iReply – Inventory System (*Team Web-Based Application Project*)

- Collaborated with teammates in developing a web-based inventory system for admin and user operations.
- Assisted in designing user interfaces and implementing system functionalities.
- Contributed to testing, troubleshooting, and improving overall system usability.

OJT EXPERIENCE

iReply Back Office Services, Inc. – On-the-Job Training (486 Hours)

- Collaborated with team members on troubleshooting and development activities.
 - Gained practical experience in software support and system analysis.
 - Completed VoIP technical support training, gaining experience in communication, troubleshooting, and structured call-handling procedures.
 - Performed accurate data entry and record management while maintaining data integrity and confidentiality.
 - Managed digital and physical records to ensure efficient document retrieval and workflow support.
-

EDUCATION

Bachelor of Science in Information Technology

Central Philippines State University – Victorias Campus

Graduated: May 2026

HUMSS Strand

Sagay City Senior High School – Sagay City

Graduated: July 2021
